

SLIGO PEACE & RECONCILIATION PARTNERSHIP COMMITTEE

It has been brought to our attention that groups with an interest in the Peace III Programme may be unaware of the availability of suitably experienced facilitators. To this end we are in the process of establishing a

Facilitator Database

Area of interest within Sligo Peace & Reconciliation Action Plan e.g. Sectarianism, Racism, Conflict Resolution, Mediation, Negotiation, Peace & Reconciliation, Cross-Border Work, Inter-faith, Research, Evaluation, Cultural Diversity, Planning and work with New Communities, Travellers, Women and Youth

If you would like to be included on the database please e-mail your CV to peaceactionplan@sligococo.ie no later than Thursday 26th February, 2009

Clearly outline your experience and include a minimum of 2 references

Inclusion in this database is in no way a guarantee of work nor will it be a recommendation of any of the facilitators included. Rather it will form a central database of information available to the Sligo Peace & Reconciliation Partnership Committee and other recipients of Peace III funding from which they may choose to access facilitators. This database may be updated during the life of the Peace III Programme.
